FAQS

How long does each fragrance last?

Depending on the scent, they should last between 15-21 days on a medium scent intensity. (Level 5 out of 10)

Return Policy?

If purchased from a retailer or website other than Pura, please refer to their return policy. Pura has a 30-day return policy and a 1-year limited warranty on the Pura device.

Do you have a fragrance guarantee?

If you ever do not like a fragrance, we will send you a new one for free if it was bought through Pura's website and within the first 7 days of you receiving it.

Are the fragrance vials recyclable?

Yes they are! Don't forget to remove the wick before recycling.

Can you control multiple devices with the app?

Yes, you can control as many devices as you want with one account.

How do I reset the Pura device?

1. Unplug your device
2. Find the reset button on the device (Remove device lid, look on the front side, and find the small button)
3. Hold down the button, and then continue holding the button as you plug it in to the wall and keep holding until the night light turns blue (will be about 10 seconds).
4. Go through the setup steps again.
