Bazaar beauty director Alexandra Parnass's must-haves for Paros, Greece

Wardrobe: It's all about swimwear. I like to rotate a simple Eres bikini and a one-piece. It's easy to throw on a chic caftan for lunch in the taverna. I always wear my aviators and a hat; I love this one from Yosuzi. **Jewelry:** I bring just a few gold favorites, which go with everything. **Beauty essentials:** I tend to pack an unreasonable amount of sunscreen—I am obsessed! Soleil Toujours is great. And to repair the damage of the day, I use Omorovicza's Blue Diamond Concentrate. ■
