MAKE LIFE ONE LONG WEEKEND

Tommy Bahama is the lifestyle company that defines relaxed, sophisticated style. With our upscale collections of men's and women's casual apparel, island-inspired cuisine and cocktails, and home furnishings that turn any space into a restful retreat, your island escape is well within reach.

MEN'S

Nothing says relax like linen, cotton, lightweight outerwear, and cozy knits.

We love fabrics with an easy sway and soft feel that take a man to a place of eternal weekends with no agendas. We're famous for our signature silk camp shirts with beautiful, original prints, but our polo shirts and easy-fitting pants and shorts are also icons of island style.

For the weekends spent playing grill master or laid-back lifeguard, Tommy Bahama suits him perfectly with high-quality casual sportswear and swimwear that nod to his more playful side. Innovative fabrics like

our IslandZone® technical silk keep him cool and comfortable, no matter what the weather is. And our men's swimwear collection revels in fun with island-inspired prints and bold solids in various lengths from traditional board shorts to volley shorts.

But when it's time to impress, slipping on a fine button-down, cozy sweater, and pair of saltwater-washed Tommy Bahama jeans always does the trick. Available in relaxed and straight-leg styles and multiple washes, he'll sink right into our soft, great-fitting denim.

ABOUT THE COMPANY

We're a company with a mission to inspire you to relax..

Tommy Bahama started in 1992 with the thread of an idea: a dream of what it would be like to never leave the beach. To fish all day and walk all night under the stars—an endless summer. As an island-inspired lifestyle brand, we would celebrate the finer things in life: fashion, food, and friends.

The concept grew with the opening of our first retail store and restaurant in Naples, Florida. From that humble beginning, the thread took shape and wove itself into the global lifestyle brand that embodies the relaxed way of life. As our success caught the eyes of guests worldwide, in 2003 Tommy Bahama was acquired by Oxford Industries, the Atlanta-based international apparel manufacturer.

Today's Tommy Bahama offers relaxation at over 160 retail locations, including 16 restaurants. From its U.S. base, the company has expanded around the globe, with locations in Tokyo, Sydney, Macau, Hong Kong, Singapore, and Dubai. We truly believe that we can inspire the world to relax.

Tommy Bahama is part of Tommy Bahama Group, Inc., a wholly owned subsidiary of Oxford Industries, Inc. (NYSE:OXM). Established in August 1992, with corporate headquarters in Seattle, Tommy Bahama is the island-inspired lifestyle brand that defines relaxed, sophisticated style in men's and women's sportswear, swimwear, accessories, footwear, and home furnishings. The company owns and operates over 160 Tommy Bahama stores and 16 Tommy Bahama restaurants worldwide.
