Tommy Bahama Restaurant

1220 3rd Street S | Naples, FL 34102 | 239.643.6889

The background of the entire image is a lush, artistic illustration of tropical foliage. It features large, dark green leaves with prominent white veins, some of which have characteristic holes (fenestrations) like Monstera leaves. There are also long, slender, pointed leaves and a thick, dark green vine or branch running diagonally across the frame. The colors range from deep forest green to lighter, almost teal tones, giving it a layered, painterly appearance.
