Piña Colada

MAKES 1 DRINK

2 oz. white rum

1 3/4 oz. Coco López®

8–10 one-inch pineapple cubes

1 cup crushed ice

1 oz. dark rum, for floating

1 pineapple wedge, for garnish

1 pineapple leaf, for garnish

INSTRUCTIONS

Add the white rum, Coco López®, and the pineapple cubes to a blender. Add 1 cup of ice and blend until smooth. Pour into a hurricane glass. Gently pour the dark rum over a spoon held directly over the drink, rounded side up, so it “floats” on the top of the drink. Garnish with the pineapple wedge and leaf.
